

ISO 9001:2015 Internal Auditor Course

COURSE DURATION: 2 or 3 Days

COURSE OBJECTIVE: The purpose of this course is to create awareness and auditing of ISO 9001:2015 standard. This will help the organization to implement a simple and effective result oriented system.

We also undertake consultancy project on Implementation of Quality Management system based on ISO 9001:2015

HOW OUR COURSE IS DIFFERENT: We assure you that after the course, qualified auditors can write their own standard. They would rarely have to refer standard after the course. We would also take all practical implementation problems in consideration and would suggest different options to deal with such situations.

Before that they would have never tasted the feeling of **Simplicity**
