

## APQP/ PPAP

**COURSE OBJECTIVE:** The purpose of this course is to create awareness on APQP and PPAP standard. This will help the organization to implement a simple, effective and result oriented system. The course will additionally help them to complete the project in a structured and qualitative manner.

**HOW OUR COURSE IS DIFFERENT:** In this course people would find the APQP manual to be very simple. Participants will not only understand both of these standards but also can write their own APQP/ PPAP. This is possible only with our Simple and Practical Approach. This program would help them to taste the feeling of Simplicity
