

Train the Trainer

COURSE OBJECTIVE: The purpose of this course is to train the potential internal trainers as a result, developing competent and people's choice faculty. This would also help to reduce the cost spent on external training where the technical skills actually exist within the organisation.

We also undertake consultancy projects on Personality Development. We assure transformation of such employees whom the organization considers to have the potential persons for higher roles. Results are visible within 4-8 months. Methodology for this project will be sent on request
